Traveler

Tumbler

Built for every adventure, the 22 oz. Pelican Traveler™ is a high-quality and durable hydration piece that looks great in any setting. Made from premium pro-grade 18/8 stainless steel with an inner copper lining and using double-wall vacuum insulated construction, this tumbler will keep your beverage hot for 7 hours and cold for 24 hours. In addition to its exceptional thermal properties, the Tritan™ screw-top, dual-function lid is designed to be leak-resistant and features both a sipper for hot liquids and a straw spout for cold drinks. Its heavy-duty powder coat finish is both protective and provides a sweat-resistant grip so it stays in your hand and resists bumps and scrapes. Ideal for the great outdoors, road trips or the office, the Pelican Traveler™ is cup holder friendly and designed to go where you go. FDA compliant and BPA Free.
