Fishing Tackle Box

Pelican is the name anglers trust to keep their fishing gear dry and protected when out on the water. The R60 Fishing Tackle Box is one of Pelican's toughest, most durable models, with a rubberized exoskeleton and shock-absorbing protective bumpers. Most importantly, it's waterproof up to two meters for 30 minutes, so you're ready for anything when reeling in the big catch. Its small size makes this the perfect fishing tackle box for a quick trip down to the lake or for storing essentials, such as lures, line, scaling equipment, or matches. The R60 Fishing Tackle Box also features a thermoplastic O-ring for a tight seal when closed.
