3 LED color selection.

PELICAN™ 7100 / 7600

Half of every day is night, and night is when things tend to go wrong. The new Pelican™ 7100 and 7600 handheld lights from Pelican give you the tactical power to change the outcome. With up to 944 blinding lumens, Type III hard anodized finish, constant battery level indicator and USB rechargeable lithium power, these lights will help you rule the night.
