

## 8060

### Tactical Flashlight

Introducing the all new full size, full power and self programmable 8060 LED. Packed with the most advanced technology found in any duty light on the market. Powered by a rechargeable NiMH battery pack or 4C cells, the Pelican™ 8060 LED is the longest running duty light today.

Full size equals full performance and, at almost 13 inches in length, you can be sure that your 8060 will deliver in any emergency. With over 1070 lumens available at your fingertips and up to 60 hours of useful light will ensure that your light will keep burning even when all hell breaks loose.

Count on the 8060's rugged dependability, and a full list of features that includes a high/strobe/medium/low/flashing mode options, no-slip grenade grip and it's self programmable. This allows you to personalize the operation to suit your needs. The all new 8060 also includes a built in low battery level indicator. Two different optional in-vehicle charger cables are available as well. The Pelican 8060 LED flashlight, where brawn meets brains.

If power is unavailable for recharging purposes, the 8060 can utilize 4 "C" cell alkaline batteries (not included). The 8060 LED comes standard with desk/dash charger base, rechargeable battery, and 110V wall charger.

- Built Pelican tough
- Super bright LED beam
