

3715

Right Angle Light

Pelican leads the way yet again with its new right angle light. Featuring downcast LEDs for illuminating your path, the new 3715 LED light also features 174 lumens (high) and 95 lumens (low), and a flashing mode. Another first is a built in battery life indicator so you will know your light's battery level before you go in. Compact, rugged, and lightweight, the 3715 LED light contains the latest technology, Pelican's legendary build quality and lifetime guarantee of excellence.

The new 3715 LED - Now you can **WATCH YOUR STEP**.

- 4 mode battery level indicating button
- Locking wheel securely holds 4 AA batteries
- Photoluminescent shroud (optional)
- Secure clip for hands-free use
- Tethered battery door allows for quick battery change
