Protector

Samsung Case

PROTECTION AS TOUGH AS YOUR COMMUTE.

Now you can get through the daily grind with one less thing to worry about: dropping your smart phone. Our engineers conceived two levels of protection: a tough chamfer design on the outside and a soft elastomeric lining on the inside. The result: Upon impact the Pelican Protector case deflects energy and cushions your phone, preventing damage to the fragile glass surface and sensitive electronics.

- Cover wraps over screen edge and protects all sides of the device from drops
- Elastomeric Copolymer rubber interior absorbs shock and impact
- Engineering grade polymer for ultimate impact protection
- Guaranteed For Life: You break it, we replace it...forever.™
- Meets Military Specifications (MIL-STD-810G) to survive a 1.8m (6 ft) drop
- Simple, snap together construction
- Smooth outer shell slides easily into pockets and bags
