

C36040 Marine

iPhone Case

Pelican Products, Inc. the leader in mission-critical equipment protection, has been trusted by professionals for over 35 years. The same Pelican DNA that has protected our armed forces, emergency and scientific equipment through the harshest environments on Earth is now available to protect your personal smartphones, tablets and more.

The Pelican Marine case shields your smartphone from the elements: water, snow, dirt, and dust. Our slim five layer shell protects your smartphone and its screen from scratches, impacts and drops.

• Constructed of impact absorbing materials (elastomer inside a rigid polycarbonate shell)

Scratch resistant coated screen protector

• Slim design with soft-touch over-mold is easy to hold and won't slide off surfaces

• Tested to Military Specifications to survive multiple drops

Waterproof - IP68 protection for complete and continuous submersion under water
