Ambassador

iPhone Case

There’s no reason that you shouldn’t have protection that looks and feels like luxury. That’s why we created the Pelican™ Ambassador case exclusively for your phone. A crystal-clear back and dual-beveled edge shows off the design of your phone all while keeping it safe from any potential, spills, cracks, or falls that would otherwise result in an untimely demise.
Featuring an aircraft-grade aluminum power button, and HPX material which is 10X more shock absorbent than standard TPU/TPE rubber.

• Guaranteed For Life: You break it, we replace it...forever.™
• Tested to Military Specifications to survive multiple drops
• DUAL-LAYER IMPACT PROTECTION - Absorbs the shock in a fall so your phone doesn’t
• NON-SLIP GRIP - Slim design is easy to hold and won’t slide off surfaces.
