Marine Waterproof Pouch

Accessory

The Pelican Marine Waterproof floating pouch is built to get your phone and valuables through whatever you get into. The Marine pouch is IPx8 rated for underwater submersion, but built in air cushions help ensure that it won't be submerged for long. Perfect for your smartphone, ID, or small valuables; the detachable lanyard keeps whatever you choose to store close at hand. The clear window allows touch screen accessibility so that your phone can stay safe and dry while you take care of business--even in the harshest conditions. The pouch is built for your life and everything it throws at you. Pelican Products, Inc. the leader in mission-critical equipment protection, has been trusted by professionals since 1976. The same Pelican DNA that has protected our armed forces, emergency and scientific equipment through the harshest environments on Earth is now available to protect your mobile phones, tablets and more.
Compatible with most smartphones

- Certified IPx8 rated underwater submersion to a depth of 3.3ft (1m) for up to 30 minutes
- Built in air cushions provide buoyancy for easier phone retrieval
- Detachable lanyard helps to keep your phone secure
- Clear window allows you to use your phone while inside the pouch
