

# 3335R

The Pelican™ 3335R is a small & light rechargeable intrinsically safe work light. The compact design fits comfortably in your hand and has the power to get you through the worst conditions, safely. The 3335R boasts performance built in providing up to 246 lumens or 58 hours of continuous run time. 3 modes are provided, High / Low / Flashing. There is a full-time battery level indicator built into the power switch, so you'll always know when it's time to recharge. The Right-Angle Adapter accessory (#3317, sold separately) transforms the flashlight into a wearable work light that allows the head to articulate, directing the light exactly where you need it.
