

5050R

Get local to long distance in a slide. The new Pelican™ 5050R flashlight features flood to spot technology: Flood position projects a wide beam to illuminate your work area and spot beam for a long distance focused beam. Get power for the work day and your smartphone. Recharge the 5050R by connecting directly to its Micro USB port. Or connect to a USB port to power your smartphone or any other USB powered device. The 5050R: it's our rechargeable option that can add some jolt to your text conversations.

- Lithium Ion Rechargeable Battery
- 4 modes: Boost / High / Low / Flashing
- Up to 201m Beam Distance
- Up to 883 Lumens
