Protector + EMS Battery

iPhone Case

The Pelican Protector EMS (Easy Mount System) Recharge Battery Pack enables convenient and consistent wireless charging on the go. The Pelican™ Protector case features a magnetic plate and a unique and sturdy design that seamlessly integrates with a magnetic battery pack system. Easily remove the pack once you're fully charged, and enjoy up to 40% of additional power at your fingertips.

- Tested to Military Specifications to survive multiple drops
- Wireless Qi-Certified Charging - Provides secure and consistent hands-free wireless charging when connected to the mount
- Detachable Magnetic Battery Pack - Enables 38-51% additional power
- Easy Mount System - Provides seamless integration with included Protector Case
- Provides up to 30 minutes of additional talk time
