

2750

Headlamp

Bright, compact headlamp for harsh conditions with a night vision friendly red LED - the high output 2750 LED Headlight provides up to 259 lumens of illumination, flashing, and low light modes. The 2750 also preserves night vision with the use of a red LED. Designed with weather resistant casings which also allows for fast and easy battery change.

Switch to the new 2750 headlamp from Peli.

- Built Peli tough
- Hands-free design
- Night vision friendly
- Comfortable Cloth Strap
