

## 3315R

Ultra compact, special designed lithium rechargeable and safety certified make the Pelican™ 3315R one of the most versatile work lights available today. Its compact design fits comfortably in your hand and requires little space for storage or transport. The 3315R produces up to 132 lumens and provides up to 34 hours of continuous run time. 3 modes are provided, High / Low / Flashing. There is a full time battery level indicator built into the power switch so you'll always know when it's time to recharge. Additionally, there is a right angle adapter accessory (sold separately) that provides hands free lighting. The right angle adapter also allows the light head to articulate, directing the light exactly where you need it.
