Vault

Tactical Rifle Case

Built for hard use, high impact and supreme weather resistance, new Vault series gun cases are the most rugged and secure in their class. Equipped with a host of premium protective features at a price more hunters and shooters can afford, as only the 42-year veteran of hard knocks could deliver.

- Crushproof, dustproof, and weather resistant
- High-impact polymer assures protection of your firearm, via road, trail or air
- Heavy duty handles are ergonomic and will stand up in even the toughest conditions
- Six push button latches offer secure closure with easy-open access
- Four stainless steel lock hasps afford extra security during transport
- Ideally suited for today's tactical firearms and their accessories
- Five layers of protective foam
