Ambassador

iPhone Case

There's no reason that you shouldn't have protection that looks and feels like luxury. That's why we created the Pelican™ Ambassador case exclusively for your phone. A crystal-clear back and dual-beveled edge shows off the design of your phone all while keeping it safe from any potential, spills, cracks, or falls that would otherwise result in an untimely demise.

Featuring an aircraft-grade aluminum power button, and HPX material which is 10X more shock absorbent than standard TPU/TPE rubber.

- Produit garanti à vie : Produit brisé, nous le remplaçons... à vie!
- Conforme aux spécifications militaires pour une résistance en cas de multiples chutes
- PROTECTION DOUBLE CONTRE LES IMPACTS : la technologie HPX dispersant les impacts absorbe les chocs en cas de chute à la place de ton téléphone.
- Anti-scratch crystal-clear back
- Shock absorption system immediately redirect force away from the phone in case of a drop
- Rugged raised bezel protects both the front and back of your phone from encountering unwelcoming surfaces
