Guardian

iPhone Case

The Pelican Guardian has been engineered to provide both an enhanced security grip and superior drop protection. The uniquely buffered design allows for the responsive absorption of drop energy and dissipates the shock to the phone. And while this tough exterior deflects the drop impact, the soft inner layer absorbs any remaining energy, keeping your phone safe from every angle.

- Produit garanti à vie : Produit brisé, nous le remplaçons... à vie!
- Conforme aux spécifications militaires pour une résistance en cas de multiples chutes
- Low profile slim design
- Protects from yellowing, discoloration, and most scratches
- Advanced shock absorption
