Ambassador

Samsung Case

There's no reason that you shouldn't have protection that looks and feels like luxury. That's why we created the Pelican™ Ambassador case exclusively for your phone. A crystal-clear back and dual-beveled edge shows off the design of your phone all while keeping it safe from any potential, spills, cracks, or falls that would otherwise result in an untimely demise.

Featuring an aircraft-grade aluminum power button, and HPX material which is 10X more shock absorbent than standard TPU/TPE rubber.

- Guaranteed For Life: You break it, we replace it...forever.™
- Getestet gemäß Militärspezifikationen, übersteht mehrere Stürze
- DOPPELT STOSSGESCHÜTZT - Die stoßverteilende HPX-Technologie absorbiert die Erschütterung, sodass dein Mobiltelefon nichts vom Sturz mitbekommt.
- RUTSCHFESTER GRIFF - Schlankes Design mit weicher Beschichtung durch HPX-Technologie. Einfach zu halten und rutscht nicht von Flächen ab.
