Marine

iPhone Case

Pelican Products, Inc. the leader in mission-critical equipment protection, has been trusted by professionals for over 35 years. The same Pelican DNA that has protected our armed forces, emergency and scientific equipment through the harshest environments on Earth is now available to protect your personal smartphones, tablets and more.
The Pelican Marine case shields your smartphone from the elements: water, snow, dirt, and dust. Our slim five layer shell protects your smartphone and its screen from scratches, impacts and drops.

• Constructed of impact absorbing materials (elastomer inside a rigid polycarbonate shell)
• Tested to Military Specifications to survive multiple drops
• Integrated lanyard loop and included strap makes mobile phone transport easy
• IP68 Protection for complete defense and continuous exposure to water, snow, dirt and dust
• Engineered to provide maximum balanced audio clarity from your phone
