iPhone Case

There's no reason that you shouldn't have protection that looks and feels like luxury. That's why we created the Pelican™ Ambassador case exclusively for your phone. A crystal-clear back and dual-beveled edge shows off the design of your phone all while keeping it safe from any potential, spills, cracks, or falls that would otherwise result in an untimely demise.

Featuring an aircraft-grade aluminum power button, and HPX material which is 10X more shock absorbent than standard TPU/TPE rubber.

- Garantía de por vida: Si la rompe, la reemplazamos... para siempre.
- Resistencia probada conforme a estándares militares para resistir diferentes caídas
- PROTECCIÓN CONTRA IMPACTOS DE DOBLE CAPA. La tecnología HPX de dispersión de la energía amortigua el impacto para que no llegue hasta el teléfono.
- ANTIDESLIZANTE. Funda delgada con tecnología HPX de tacto suave y fácil de sujetar. No resbala sobre ninguna superficie.
