#### Memorial First Aid Case

Dave Parker started Pelican in 1976 from the garage of his home in Torrance, CA. It was a humble beginning for a company that has expanded across the globe and now operates in 26 countries, employing nearly 1,500 people worldwide. One of the first products Dave invented for Pelican was a superior first aid kit for divers. The cases were rugged, durable, and built to keep the contents stored inside safely protected from water and dust.

In honor of him and the great impact he made, Pelican has produced a limited edition first aid kit to commemorate his achievements. Embellished with a brass plate etched with David H. Parker's name and dates of life — 1936 to 2020 — the kit is characterized by circa 1976 branding and contains a host of first aid supplies. The Commemorative Pelican™ First Aid Kit is our way of paying tribute to the legacy of Dave Parker.

All proceeds for the kit will be donated to the National Firefighters Foundation.

Kit includes: Soft-Sided Bag, Easy Access Pocket System, CPR Breathing Barrier, (6) Assorted Safety Pins, Emergency First Aid Guide, Plastic Tweezers, Antiseptic Towelette, Butterfly Wound Closures, Pressure Bandage 2" x 2", Pressure Bandage 3" x 3", Sterile Eye Pad, Sterile Eye Wash, Alcohol Cleansing Pads, Aspirins, Medical Grade Vinyl Gloves, Triangular Bandage 42" x 42" x 59", Blood Stopper Dressing, First Aid Tape Roll 1/2" x 2.5 yd., Adhesive Plastic Bandages 1" x 3", (25) Adhesive Plastic Bandages 3/4" x 3", Adhesive Plastic Spot Bandage 7/8" x 7/8", Antiseptic Towelette, Burn Cream, (20) Cotton Tipped Applicator, Elbow/Knee Adhesive Plastic Bandages 2" x 3", (25) Junior Adhesive Plastic Bandages 3/8" x 1-1/2", Sterile Gauze Pad 2" x 2", Anti-Motion Sickness Patch
