HardBack

Tablet Case

Sometimes, all it takes is one drop to ruin your tablet or laptop computer (along with your music, photos and files). With that in mind, HardBack series cases are built with all the legendary features of a Pelican case - crush resistant, watertight and an automatic pressure equalization valve that prevents vacuum lock to make it easier to open at any altitude.

- Accessory Storage - Power cords and earbuds stow below keyboard
- **Designed to protect the iPad® or iPad®2 with Smart Cover**
- **Integrated Easel optimizes hands free viewing angles in horizontal or vertical positions**
- **Watertight Gasket Tight seal created when case is shut. The easy open latch remains shut under pressure or after impact.**
- **Watertight, crushproof, and dustproof**
- Automatic Pressure Equalization Valve - balances interior pressure, keeps water out
- Can be used as a portable office
- Designed for Apple iPad1/2 USA chargers, some chargers/adapters may not fit.
- Lifetime Guarantee of Excellence
- Removable shoulder strap included
