Protector + EMS Car Charger

iPhone Case

The Pelican™ Protector EMS (Easy Mount System) Wireless Charging Vent Mount cuts the clutter out of your commute. This complete, all-in-one system features a Pelican™ Protector phone case with an integrated steel plate which seamlessly and securely connects to a magnetic vent mount. The adjustable mount allows you to easily switch between landscape and portrait mode while constantly connected to the wireless Qi charging system, providing a smooth, safe and handsfree ride.

- Tested to Military Specifications to survive multiple drops
- Wireless Qi-Certified Charging - Provides secure and consistent hands-free wireless charging when connected to the mount
- Easy Mount System - Provides seamless integration with included Protector Case
- Magnetic Car Vent Mount - Air vent mount included. Fits most car vent sizes
- Dual-Layer Protection Case - Durable polycarbonate case shields phone from damage with impact absorption and energy dispersion
