Marine

Accessory

The Pelican™ Marine AirPods Pro case shields your AirPods Pro from the elements: water, snow, dirt, and dust. Also equipped with Micropel® Antimicrobial Protection, your case is already set up for ultimate hygiene. Micropel® Antimicrobial Protection is the premier technology worldwide for effective, long-lasting, and responsible control of microbial growth. Rest assured that our layered hardshell design will protect your AirPods Pro from any scratches, impacts or drops and now, germs.

- Military Grade Drop Protection
- Waterproof IPX7 rated
- Detachable carabiner clip
- Accessible lightning port
- Equipped with FDA approved Micropel Protection
