Samsung Case

Pelican™ brand is synonymous with hard-hitting quality. Drop your phone? Don't panic! Protective cases that withstand the most extreme conditions on earth are our specialty. We reached perfection in what is now known as Force Impact Technology - a tough exterior that deflects impact at time of drop while the soft inner layer absorbs any remaining vibrations/drop-energy, keeping your phone safe. With a unique dual triple shot design the Pelican Adventurer case is the only clear case on the market with support for metallic or other painted colors.

Pelican™ Adventurer case is no different. Expertly crafted to create the slimmest, impact-absorbing case on the market, our rigid outer shell to provide dual-layer protection without compromising functionality. The Pelican™ Adventurer case is 23% more impact-absorbent over similar protector models in the market, and will move any shock away from your phone. Whether you're trotting around the globe or the neighborhood, this sleek and resilient case will keep your phone safe. The Pelican™ Adventurer is backed with a Lifetime Guarantee*.
