

3410 Right Angle Light

The most versatile pro-grade flashlight in the world.

The 3410 is the ultimate compact work light. Molded from "glow in the dark" photoluminescent material, this light is easy to find even when it's off. The 3410 is equipped with both a spot and flood LED for close-up as well as distance, so you can have wide area light in the immediate work area and still penetrate darkness hundreds of yards away. It can be activated to run one or both LEDs with 3 levels of brightness. The articulating head and built-in clip allows the light to be directed wherever it is needed.

The Pelican 3410- a professional grade multi-task lighting tool that will help you get the job done- under any circumstances.

- Articulating Light Head
- "Glow in the Dark" Body
